To Our Valued US Eagle Members,

The past year has been one with continued social and economic change, but US Eagle has remained steadfast in its growth and strength. We thank you for your continued trust and support in your Credit Union, as our success could only be accomplished by our loyal members, dedicated staff, and the communities in which we serve.

We are pleased to report a successful 2022 performance for US Eagle Federal Credit Union. We finished the year with assets of over 1.47 billion dollars, a 46 million increase from 2021. Our members also saved an average of $844 in 2022.

We remain exceptionally proud of the continued community partnerships that the US Eagle ARNIA Foundation has supported and contributed to. Last year, we invested just under $350,000 into our communities through non-profit organizations and through our own programs and initiatives. One of the Foundation’s year-long initiatives is our Mettle Campaign, which assists and supports disabled New Mexican Veterans. Through every purchase made with a US Eagle METAL Credit Card, a donation will be made directly to our partners at Paws & Stripes, and Veterans Integration Center.

Our Branch Growth Strategy to provide convenient and award-winning service to our members and those who should be, remains ongoing. In February 2023, we said a heartfelt goodbye to our Osuna location and opened our new full-service branch at 5420 Academy Rd NE. With the newest US Eagle location, we also introduced our Interactive Teller Machines, which gives members a personalized interaction with a live teller, in real-time, straight from the comfort of their car.

With many exciting additions to our organization, we are also excited to announce several electronic updates that align with our four-year digital strategy, including the launch of a brand new, modernized website. Along with changes to our useagle.org webpage, we will be introducing a new and improved Online Banking System at the end of this year. Please keep an eye out for member communications on more information and details to come about these exciting changes!

The foundation of credit unions is built strongly on diversity. US Eagle is a member-owned credit union, consisting of close to 95,000 individuals with a unique array of diverse cultures and backgrounds. We remain grateful for each person’s unique experience and perspective, as that only enables us to further diversity, equity, and inclusion – overcoming challenges and unlocking innovation.

As we look to the future, we are honored and grateful to you, our members and community. We thank you for choosing US Eagle as your financial partner.

Sincerely,

Kevin McMahon
Chair of the Board of Directors

Thank you, John Vale!
The Supervisory Committee is appointed by the Board of Directors to independently evaluate the safety and soundness of US Eagle Federal Credit Union’s (US Eagle) operations by hiring an external auditor, guiding the Internal Audit Staff and reviewing the results of the audits performed throughout the year.

We also have the responsibility for reviewing and evaluating the performance of elected Board Members and employees through internal and external audits and make appropriate recommendations for improvement as needed.

Additionally, US Eagle is examined annually by the National Credit Union Administration (NCUA), the regulatory agency for all federally-chartered credit unions and as required by NCUA, US Eagle is audited annually by an independent accounting firm. The Committee retained the services of a national, certified public accounting firm to perform the 2022 certified financial statement audit. The Credit Union received a clean opinion on that audit, which means the year-end financial statements have been properly prepared in accordance with Generally Accepted Accounting Principles.

It is the opinion of your Supervisory Committee that the Credit Union’s policies and procedures, as well as Management’s practices, are sound. This opinion is based on the results of our internal audits, the independent external audit, and the NCUA Examination Report.

The Supervisory Committee appreciates Fred Moore for his seventeen years of service on the Supervisory Committee and we wish him well in his future endeavors. In 2023, Jesse Salazar, has been appointed to the Supervisory Committee as an alternate member.

We believe the Credit Union’s safety and soundness is a direct result of the Board of Directors’ guidance and management’s leadership. We extend our gratitude to the volunteers and staff for their ongoing commitment throughout the year.

Respectfully submitted,

Margaret L. Kraft,
Chair of the Supervisory Committee

Brandon Hill Haines

Mr. Haines has served on the Supervisory Committee since 1989, and in 1992 he was appointed as Chair of the Supervisory Committee where he served in this position for a majority of this period until 2005. As part of the Supervisory Committee, Mr. Haines evaluates US Eagle’s policies and procedures and recommends revisions to increase the safety, soundness and effectiveness of US Eagle. In 2012, Mr. Haines was honored by the Credit Union with the Distinguished Volunteer Award in recognition for consistently demonstrating leadership, service, and passion for excellence. In addition, Mr. Haines has volunteered for numerous non-profit organizations such as the New Mexico Society of Certified Public Accountants Quality Review Committee, the State Bar of New Mexico, the Institute of Internal Auditors, the Colorado State Society of Certified Public Accountants, the Institute of Managerial Accountants, the University of New Mexico and New Mexico State University to name a few.

Nancy Haines

Nancy gives without question to US Eagle. She has served as Board Chair for the Credit Union and currently chairs the Governance Committee, serves on Policy and Bylaw Committee, and is 1st Vice Chair for the Board. She has a willingness to help, strives to learn where the Credit Union can be stronger, and ensures all committee members are heard. Nancy develops precise and accurate policies that comply with federal regulations as well as policies and charters specific to US Eagle. When she is involved in a Credit Union activity or responsibility there is steadfast dedication to the members and the overall success of the Credit Union itself. Such dedication can only come with a caring approach and by putting mission accomplishment before personal need.

Community Giving in 2022

Last year, US Eagle employees logged 1,086 hours to help support our communities and invested over $349,118 into our communities through non-profit organizations as well as our own programs and initiatives. We stepped up to assist with food distribution, meal delivery, blood donations, community clean-up, and more as well as served on Boards for several non-profit organizations.

The year-end summary highlights many of the initiatives your credit union took to provide financial support to our local community.

Rio Grande Food Project
The Rio Grande Food Project has been a valued partner of our Credit Union for many years. Beyond our pledge this year of $10,000, every month employees volunteer to help with the food distribution, repackaging food, restocking shelves, and preparing food boxes.

Casa Esperanza
Casa Esperanza has been a Community Partner of US Eagle since 2005. Aside from monetary donations, employees volunteer once a month to prepare meals for Casa’s residents.

Explora
Our newest Community Partner since 2020! As their premier financial literacy partner, US Eagle is not only playing a fundamental role financially but committed to mentoring the teens participating in the program as well as providing valuable quarterly workshops. Studio X officially opened its doors to youth in our community in February 2023.

Meals on Wheels
Every week US Eagle Employees deliver meals to the homebound to ensure Meals on Wheels clients receive needed nutrition with a friendly face. After a restricted volunteer calendar due to COVID-19, our employees were able resume to their regular schedule and distributed over 470 meals.

METTLE
US Eagle does several things to recognize and support veterans in our community, including:

- Wearing patriotic shirts on holidays honoring the men and women who served our country.
- Offering several, universal lending programs.
- Launching the Honoring our Heroes campaign that offers free meals to veterans on Veterans Day, plus reduced meals on Patriot Day and 4th of July.

But we saw the need to do more, and our METTLE campaign is centered around this.

Throughout 2023, US Eagle will make a donation for every purchase made with a US Eagle METAL Credit Card to support disabled veterans in our state through partnerships with Paws & Stripes and the Veterans Integration Centers.

Volunteer of the Month
Beginning in 2022, the Volunteer Development Committee (VDC) recognized a volunteer in the community each month. Volunteers were selected based on their hard work and the positive impact on their communities. As a thank you, and to recognize our 2022 volunteers, US Eagle has donated $1,000 each to their designated 501(c)(3) non-profit organization.

New Branch to Better Serve

Academy Branch

Our state-of-the-art facility at 5420 Academy Rd NE opened its doors to members on February 14, 2023! This new location is conveniently located just minutes from the Osuna location it replaced.

Academy is the home of our first Video Teller (also known as an Interactive Teller Machine, or ITM). So what's a Video Teller? You can speak and interact with a live teller, in real-time, from your car and conduct many of the same transactions as you would inside the branch. Think of it as ‘drive-thru service with video’. So, instead of interacting with a machine, you’ll get the personalized attention you deserve.

This newest branch continues to demonstrate our commitment to service excellence and the community. We are New Mexico’s longest-standing, member-owned credit union for a reason. And that reason has always been putting you, our members, first.

Awards and Recognition

Forbes Best in State Credit Union

In 2022, US Eagle was recognized as one of New Mexico’s Best Credit Unions by Forbes Magazine for the fourth consecutive year – the only credit union in New Mexico to do so. In collaboration with Statista Inc., Forbes made its selections based on an independent survey of more than 25,000 U.S. citizens. Thank you to our members for naming us one of New Mexico’s best credit unions – you are the reason we are here!

Family Friendly Platinum Awardee

Our employees are one of our greatest assets, which is why we strive to make our credit union a great place to work. US Eagle has received the Platinum Award from Family Friendly New Mexico in recognition of our workplace policies surrounding Paid Leave, Heath Support, Work Schedules, Economic Support, Pay Equity, Diversity and Inclusion, and Community Investment for the second year, and it continues a streak of recognition; having received Gold Level status since 2017.

The Paper’s Best In Albuquerque

US Eagle was also recently recognized as one of The Paper’s “Best in Albuquerque” recipients for its dedication to top-notch service.

African American Credit Union Hall of Fame

Both Marsha Majors, US Eagle President & CEO and Pamelya Herndon, US Eagle Board of Directors, Second Vice-Chair, were inducted into the African American Credit Union Hall of Fame during the 24th Annual AACUC Conference. This well-deserved recognition observes their devotion to the credit union philosophy of ‘people helping people’ as well as their commitment to serving and improving communities of color and the underserved.
MISSION
To create a world where people matter more than numbers.

VISION
By adding SOUL - Sincerity, Objectivity, Urgency, Learning - and simplicity to the financial experience, we will create fiercely loyal members, deeply engaged employees, and thriving communities.
